## Honda Website Design Photoshop

ROLE UI Design

DESCRIPTION Design Proposal

# 03

## Restaurant Menu Design Photoshop

ROLE                      Graphic Design

### DESCRIPTION

By designing a new menu for the restaurant, I made a design that is suitable for Thai restaurant with Oriental design as the motif.

# 04

## Restaurant Flyer Design

Photoshop

ROLE

Graphic Design

DESCRIPTION

I designed the flyer of the restaurant and the cute pizza delivery character.

# 05

## Business card

Illustrator

ROLE

Graphic Design

DESCRIPTION

I designed a business card to look like the keyboard I use the most in my work.

06

PopArt  
Illustrator

---

ROLE                      Graphic Design

DESCRIPTION

I worked on my wife using an illustrator  
in pop art style.

07

PopArt  
Illustrator

---

ROLE                      Graphic Design

DESCRIPTION

I worked on my favorite dog, Ebi, in  
the pop art style.

# 08
